USS proudly serves our friends and neighbors through wellness programs and essential services that support older adults' desire to stay active and involved, and to live independently. USS offers Clark Countians age 55 or better fitness, education, recreation, and socialization opportunities at 3 centers in downtown Springfield, Enon, and New Carlisle. Our services are available to Clark Countians age 60 or better. Services include Meals on Wheels, transportation, in-home care, caregiver respite, home modifications and repairs, emergency assistance, and many more. Most of our programs and services are free or low cost. Donations are gratefully accepted. We accomplish our work with 100 dedicated employees, many community partners, federal, state, and local grants, donations and fees, and the Clark County senior service levy.
